

The annual Olympic Peninsula Art Association Members' Art Show & Sale was open to all members in good standing. The 2020 Show, titled *Fall Fantastic* demonstrates both the variety of media interests and the diversity in artistic talents of OPAA's membership.

This year's show provided unique challenges when the annual exhibition site was shut down due to Covid-19. OPAA members, always creative, began to work on moving the exhibit to an online format that would keep members and viewers safe while enjoying outstanding art created by artists on the peninsula.

The *Fall Fantastic* exhibit has 60 artworks from 27 artists on view. The two-dimensional art includes drawings and paintings in acrylic, oil, pastel, watercolor, mixed media and digital painting. Three-dimensional art consists of ceramics, wood sculptures, and weavings. Each artist has included a statement about their creative process.

Enjoy!

In addition to the Members' Show, OPAA sponsors activities such as demonstrations, workshops, educational programs, and a yearly scholarship to graduating high school seniors.
